Dear [PATIENT NAME],

Important information about Hillcrest Surgery premises relocation

I am writing to you to inform you that your GP Practice, Hillcrest Surgery, 337 Uxbridge Road, Acton W3 9RA will be relocating on a permanent basis to 23-31 King Street, Acton, W3 9LA from Monday 27 January 2025. You may have seen posters at the surgery about the proposed move or attended one of the engagement events held at the practice. The new address is:

Hillcrest Surgery
Ground Floor
23-31 King Street
Acton
W3 9LA

The telephone number will remain the same: 020 8993 0982

Please see the map on page 2 of this letter showing the location of the new address. The current premises at 337 Uxbridge Road will not be in use after 27 January 2025.

The practice move will provide Hillcrest Surgery with improved space, access, services and facilities for local patients. As a result, we are confident that patients will notice improvements in many aspects of their care.

Please visit <https://www.hillcrestsurgery.nhs.uk/> to read our FAQ's for patients regarding the move.

What does this mean for patients?

You do not need to do anything.

As a patient of Hillcrest Surgery, you will automatically continue to receive General Practice services from the surgery at the new site, offered by the same doctors, nurses and reception staff.

The telephone number, contact details, website address and opening times will remain unchanged. The practice catchment area also remains the same.

If you decide that you do not want to be a registered patient at the practice after the move, there are a number of local practices nearby where you can register. You can find these at <https://www.nhs.uk/service-search/find-a-gp>.

If you have any questions, please contact the practice directly on 020 8993 0982.

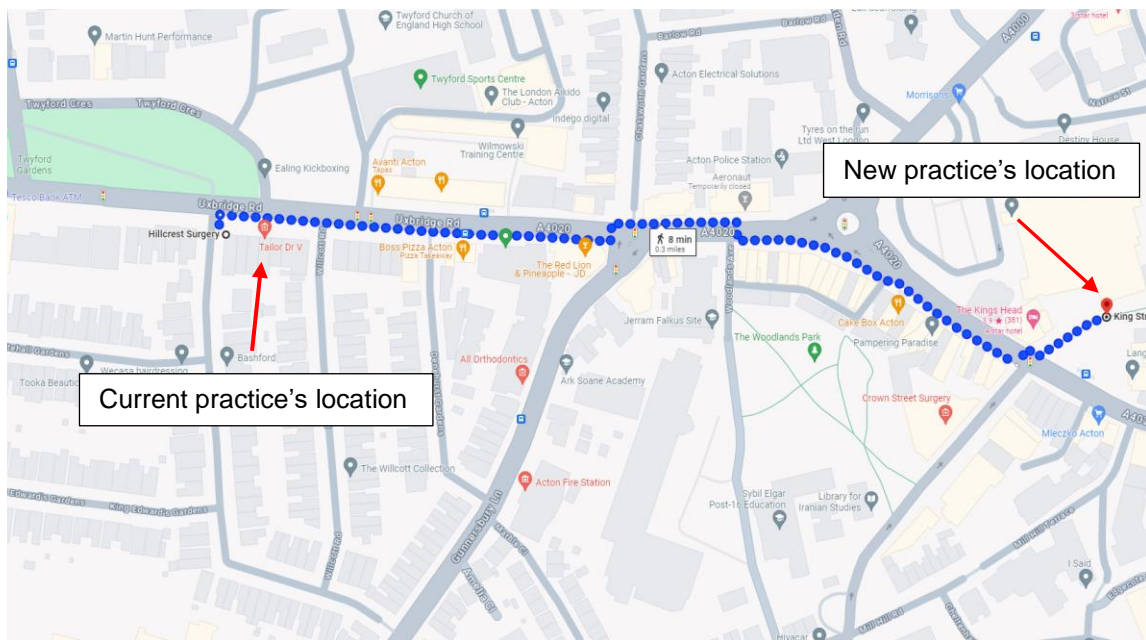

Alternatively, you can contact NHS North West London on 020 3350 4034 or email at nhsnw1.lon-nw-pcc@nhs.net.

Yours sincerely

**Assistant Director, Primary Care Contracting and Transformation
